

Document Services for Lawyers, Individuals and Agencies

Prairie Bailiff Services has been serving the Civil Enforcement and Process Service needs for the Province of Alberta since 1996. We are dedicated to the superior and professional service we provide to meet the evolving needs of our clients in all aspects of these fields. We adhere to high ethical standards and are a collection of the most outstanding individuals in the profession.

Our Headquarters is located in Calgary, Alberta but we have experienced and professional associates all over Alberta and across Canada. We have a fast and efficient Document Service department that will handle your serving requirements in an expeditious manner and can help answer your questions or concerns that may arise. With the knowledge and Professionalism that our staff offers, we are able to provide a timely and cost effective service to our clients.

We at Prairie Bailiff are dedicated and determined to get the job done properly and our qualified and experienced team of Servers always give 100%. We keep our clients informed of the process on their file and we always uphold the highest standard of service. Our primary objective is to provide efficient service and is an invaluable resource for serving any kind of document that is required.

In the event that we are unable to effect service on the party, we will provide the necessary documents to ensure that you will not be delayed in your proceedings. We also offer numerous other services that could assist in getting the documents served in a timely manner.

Contact us today to find more out about our Services and we thank you for your consideration in using Prairie Bailiff Services.
